

From Rome to Trieste

Perspectives for the Western Balkans in the European Union

28 March 2017

Atrij ZRC SAZU, Novi trg 2, Ljubljana

18.00 – 20.00

The Western Balkans countries and their integration have returned to the agenda while the EU is discussing its own future development. Could the discussion about enlargement contribute to the reflection on new initiatives to reinvigorate the EU as they were discussed in Rome on 25 March 2017? How resilient are the Western Balkans countries and societies to respond to challenges posed from the outside? What are the ambitions of the Western Balkans summit to be held in Trieste on 12 July 2017?

You are invited to discuss these and other questions with:

Peter Grk, Ministry of Foreign Affairs, Ljubljana

Zoran Nechev, EU ISS, Paris

Eleonora Poli, IAI, Rome

Florent Marciacq, Franco-Austrian Centre (CFA), Vienna
